PROFESSIONAL SUMMARY

Web Developer with hands-on experience in developing responsive, user-friendly websites using HTML5, CSS3, JavaScript, Bootstrap, and Tailwind CSS. Skilled in creating interactive web pages, reusable UI components, mobile-friendly layouts, debugging, responsiveness, and website deployment. Strong problem-solving skills with a focus on clean, maintainable code and user experience.

WORK EXPERIENCE

Web Developer — Alphaxite Technologies

Dec 2025 – Jul 2026

- Developed responsive and mobile-friendly websites using HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS.
- Created user-friendly web pages based on business requirements and design specifications.
- Developed website sections including navigation bars, hero sections, services, cards, forms, testimonials, and footers.
- Implemented responsive layouts for desktop, tablet, and mobile devices.
- Used JavaScript for interactive features, form validation, navigation, and dynamic UI

PROJECTS

FRESHMART – Grocery E-Commerce HTML | CSS | JavaScript | Tailwind CSS | Local Storage

- Developed a modern and fully responsive grocery e-commerce website with product categories, search, filtering, product details, offers, cart and wishlist functionality.
- Implemented interactive shopping features using JavaScript, including dynamic product rendering, sorting, filtering, cart management and LocalStorage-based data persistence.
- Designed a professional and responsive UI/UX for desktop, tablet and mobile devices, with a separate admin panel interface for product, order, customer and offer management.
